Thank You from our SkillsUSA Delegation

Thank you for meeting with our SkillsUSA delegation today. We are here to participate in the Washington Leadership Training Institute (WLTI), an annual conference that helps SkillsUSA members learn essential career skills and develop as leaders and advocates for career and technical education. Thank you for your support of the *Strengthening Career and Technical Education for the 21st Century Act* (Perkins) which is critical to ensuring that career and technical education meets the ever-changing needs of both learners and employers.
