SkillsUSA Champions Editorial Profile

- Connect with SkillsUSA members in print and online
- Advertise your company, opportunities, programs and products
- Promote your products and reach your future skilled employees
- Recruit motivated, prepared students to your college or postsecondary program

SkillsUSA Champions is our flagship publication for career and technical educators and students who are interested in cultivating SkillsUSA Framework skills essential to success in further education and employment. This dynamic resource motivates members and builds a community through relevant and inspiring content shared on a digital hub and in two print editions per school year.

SkillsUSA is a national, nonprofit organization serving over 380,000 middle school, high school and college/postsecondary students and teachers who are involved in training programs for technical, skilled and service occupations. With nearly 19,000 classrooms in 53 state and territorial associations, SkillsUSA has a national reach. In addition, more than 850 partners, trade associations and labor unions support SkillsUSA's work through cash donations, in-kind donations and volunteer time.

SkillsUSA is the #1 workforce development organization for students. We empower students to become skilled professionals, career-ready leaders and responsible community members. We're a student-led partnership of education and industry that's building the future skilled workforce our nation depends on with graduates who are career ready, day one.

SkillsUSA Champions is much more than a magazine. The vibrant, modern and professional content provides useful information and inspiration for all audiences. Teachers can implement Champions as part of their classroom instruction using a comprehensive lesson plan. Students can be inspired for their chapter activities and career decision-making. Corporate sponsors can see the value of the programs they support and share their messages with our members who will be their future employees or customers.

Circulation

Primary audience: Teachers and students in public CTE high school or college/postsecondary programs; middle school programs are also served

Secondary audience: School administrators, business and industry partners (corporations, trade associations, labor unions), alumni, news media, parents and community influencers
